

Ribolla Venezia Giulia igt 2015

Made from Ribolla grapes. While fermenting in Georgian amphorae buried underground, it underwent a long maceration with wild yeasts and no temperature control. After the drawing off and pressing phases the wine was poured back into amphorae for at least five more months before it started ageing in large oak barrels, where it was left for six years. Wine is bottled without fining or filtration.

After a beautiful sunny summer, the autumn rains encouraged the development of noble rot. The harvest ended on Wednesday 28th October.

Service temperature 16-18°C
